Let's get ready for fall!

OCTOBER, 2018

Welcome to fall! Sad to see summer go, but hoping you enjoyed your summer along with the activities we had with you. I am certain that the transition back to a new school year was smooth and going well. Our newsletter is back and has many important dates, news and events in it. Youth Group meetings have also resumed so I look forward to the youth participating in them as well.

Please remember, you do not have to be a member of Carnegie Presbyterian Church to participate in our activities, we welcome everyone! So please bring your friends along. I really hope to see all the children from time to time at the many activities that I plan, it's a great way for the children to meet other children in the community and from different schools.

~ Ms. Heather
