WELCOME & ANNOUNCEMENTS

MOMENT of PREPARATION † Psalm 8

O LORD, our Sovereign, how majestic is your name in all the earth! You have set your glory above the heavens. Out of the mouths of babes and infants you have founded a bulwark because of your foes, to silence the enemy and the avenger. When I look at your heavens, the work of your fingers, the moon and the stars that you have established; what are humans that you are mindful of them, mortals that you care for them?

Yet you have made them a little lower than God and crowned them with glory and honor. You have given them dominion over the works of your hands; you have put all things under their feet, all sheep and oxen, and also the beasts of the field, the birds of the air, and the fish of the sea, whatever passes along the paths of the seas. O LORD, our Sovereign, how majestic is your name in all the earth!

CALL to WORSHIP

Leader: O LORD, our Lord, how majestic is your name in all the earth!

**ALL: You have set your glory above the heavens. From the lips of children and infants
You have ordained praise.**

Leader: When I consider your heavens, the work of your fingers, the moon and the stars,
which you have set in place...

ALL: Who are we that you are mindful of us?

Leader: Creator of Heaven and Earth, thank You for creating us and loving us in a way that
knows no limits.

ALL: Blessed be your glorious name forever may your glory fill the whole earth.

Leader: Come, Let us worship God!

***OPENING HYMN
This is My Father's World**

CALL to CONFESSION • PRAYER of CONFESSION

God of all Creation, at the beginning of time you placed a mandate on humankind to be stewards of Creation, to replenish and nurture for all generations what you have created.

We remember with shame that in the past we have exercised the high dominion of humanity with ruthless cruelty so that the voice of the Earth, which should have gone up to you in song, has been heard as a groan of travail.

Turn us from our unmindfulness. We are too quick to pave over an empty lot, to build inexpensive homes on precious fertile lands, to use products that are not easily recycled and to fill our dumps. We waste water and paper from your trees. We want the biggest or the best or the newest when we already have all we need. Forgive us, for our ignorance of the delicate web of your system of precious life.

(silent confession) Leader: Creator God, forgive us.

Help us to show—more actively—our love for our earth, your earth, your precious creation. In the name of Life, we pray, Amen.
